U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF NC

Ms. Wilson,

Thank you for your information.

I would like to be included as a petitioning creditor in the Sichel Technologies involuntary bankruptcy challenge filed this week. According to my records, I accrued 233.83 vacation hours prior to the furlough which I believe equates to approx. \$11,242.00.

Please keep me posted as to any information I need to provide to move this forward.

Regards,
